BYLAWS: ARTICLE SEVEN PRINCIPAL RESIDENCE DESIGNATION

B. Members may change their designated address of principal residence by submitting a Local 798 Change of Address form to the Secretary-Treasurer via e-mail or regular mail. The Change of Address form must be received at Local 798 headquarters 30 days in advance of a change in residence. A member who has changed his or her principal residence may not change that designation again for 18 months.

D. Members shall abide by the hire definitions based on location and/or principal residence found in Local 798 collective bargaining agreements. Should Local 798 take cognizance of a member undermining a collective bargaining agreement by violating provisions concerning hire definitions, including provisions concerning location and/or principal residence, the member may be brought up on charges and stand trial.

I have read and am in full understanding of BYLAWS: ARTICLE SEVEN PRINCIPAL RESIDENCE DESIGNATION and the penalties that I will incur if I violate this article of the Bylaws of Local 798. I have submitted the address above with the full knowledge that this will be my official address.
