Please note, the following are NOT acceptable as Proof of Work:

<u>Personal checks</u> - <u>cash receipts</u> - <u>invoices without attached pay stub or proof of payment</u> - <u>personal calendars</u> - <u>emails/letters saying you are/were hired.</u>

All **Proof of Days <u>MUST</u>** be for film, television, commercials, theater or video (i.e. productions that 798 Contracts would cover IF it were a union job). Only these classifications are covered under Local 798 Contracts. Your paid work <u>can be on union or non-union</u> film, television, theater etc. All proof days **MUST** be days you are actively working doing the craft you are applying for (i.e. styling hair or applying makeup on set or in the theater)

Travel days, idle days, covid testing days, prep days, shop days, unworked holidays, print/editorial/photo shoots, red carpet/events, weddings, salon work/retail work, education work (as an instructor or student), haunted house venues, theme parks, wax museums, fashion shows, and concerts are MOT considered qualifying work towards the required 180 days proof of work.

Insert a Table of Contents before your PROOF OF 180 DAYS. Here's an example:

PROOF OF DAYS Table of Contents:

"Action Adventure Guy - Indie Movie Prods Co. - call sheet copies - 55 days

"Channel 5 Action News" - Channel 5 - pay stub copies (circle days on each)- 35 days "Valentine's Day Concert" - City Opera House - invoice AND pay stub copy – 12 days

9) Portfolio Website containing all required photos for the craft you are applying for i.e Hair Stylist, Barber, Make-up Artist, or SFX Make-up Artist.

The Membership Committee requires a website portfolio in your application packet. We will **no longer** accept physical portfolios or flash drives. Organized Google Drives will be accepted in lieu of a website as long as a TinyURL address is provided, and the drive is set to be viewed by anyone with the link. Missing photos from any category will result in failure to fulfill the requirements.

Your portfolio website must be specific to the requirements requested in your craft. Two (2) different looks per category with corresponding photos of before, process, and finished work are required unless noted otherwise. Be sure to organize and label your portfolio, instead of including everything you have at random. You are required to clearly label each of your photo galleries and portfolio photos with the category they represent.

*ALL Website Portfolios MUST be maintained and viewable until you receive your letter of acceptance or rejection in the mail! *

revised 04/11/2024

All work presented must be done solely by the applicant and look camera-ready. All photos must be in focus and show the work clearly. Retouched, Photoshopped, Face Tuned, or other filtered photos will not be accepted. Photos should be cropped to minimize backgrounds and your work should fill most of the frame to show the details. Digital thumbnail or low resolution photos MUST have the ability to be enlarged to be viewed clearly in detail. Having unlabeled photos or photos that cannot be viewed clearly will result in failure to fulfill the requirements.

STEP TWO - APPLICATION SUBMISSION PACKET SCREENING:

Once your application is received by the office, it will be reviewed by the Membership Committee volunteers. This Committee consists of Local 798 members who will screen your application submission packet for the requirements listed. They do not work at the Local 798 office, so please **do not call the office** to find out your results. All references will be checked. Your application will automatically be rejected if:

- It is incomplete
- · You have falsified any information, and/or
- You were expelled from another Local Union within the I.A.T.S.E.

After your application submission packet has been reviewed by the Committee, you will be informed of your results <u>via mail</u> within 8-12 weeks after the close of each application window. If you have not received your results after that time, you may email membership@local798.net.
